Indian Particle Accelerator Conference-2018 January 9-12, 2018

Organised by

Raja Ramanna Centre for Advanced Technology, Indore

InPAC 2018 is the eighth in the series of conferences on particle accelerators organized under the aegis of Board of Research in Nuclear Sciences, DAE and Indian Society for Particle Accelerators. The first conference of the series was held in 2003 at RRCAT, Indore. Objective of the conference is to provide an excellent forum to exchange valuable experiences, new ideas and recent developments among scientists and technologists, particularly younger generation, actively involved in design and development of frontier technologies in the field of particle accelerators.
